

STATEMENT OF SOLIDARITY FOR LYBIA

On behalf of the EPP Women, we extend our deepest condolences to the people of Libya affected by the catastrophic impacts of the devastating floods of Storm Daniel.

As we stand united in our grief and hope, our hearts go out to the thousands who have lost their lives, the over 10,000 missing, and the countless others whose livelihoods have been shattered by this calamity. In these challenging times, we stand unwavering in our solidarity with the Libyan people and their communities.

EPP Women expresses full solidarity and support for Libya and its people, its women and men and its girls and boys in these darkest times!
